to permit the governor's office to be sold.

I tried to conduct a clean and dignified campaign, basing my bid for election solely on my merits and qualifications. My run-off opponent, Mr. Laney, chose to resort to personal attacks on me and to spend his inherited wealth lavishly in his campaian.

"Anyone who injects a racial or or the other and I note from th

Is the Governor's Office

The latest tabulation of election returns show that as compared with the 65,000 votes he received, 103,000 voters expressed their disapproval of his type of tactics, I am confident this disapproval will be further expressed by an overwhelming vote for me on August 8.

The tactics adopted by my run-off opponent are the same as those which resulted in his defeat for his second full term as mayor of his home town. I had hoped that I would not have to refer to that chapter of Mi Laney's career, which he has seen fit not to mention himself. However, in the light of developments, labelieve the people are entitled to know what the citizens of his home town thought of such actions.

he would have you believe.

Fortunately his father owned 280 acres of land on which oil was discovered. I don't hold that against him. But, on the other hand, neither does inheritance of 86 producing oil wells make him a successful business man.

And I am sure that you will show your disapproval by your vote for me on August 8th.

In that election, Mr. Laney lost all but one of the boxes in Camden, including his own home ward. Who knows a man better than his own

His neighbors also know Mr. Laney's record as a business man. He has held himself out to the people of Arkansas as a successful business man, while seeking to belittle me as a politician. It so happens that Mr. Laney became a business man overnight, rather than through his own efforts, as

I never met Mr. Laney until he was appointed to the State Penal Board by Governor Homer Adkins. Mr. Laney supported Mr. Adkins in 1940, and as a result was rewarded with a position on the Penal Board, which he held until he resigned to run for governor. Now, I ask you, in view of those circumstances, who could be more closely linked to the present state administration than Mr. Laney?
